#### Case

- Develop a model to predict the revenue of our customer
- What is the long-term value /impact of my marketing campaigns?

https://developers.google.com/analytics/solutions/r-google-analytics

#### Case, what we don't want

- Don't tell us mobile traffic is growing, we know that! :)
- Dont tell us we need more traffic in the weekends.
   It's a B2B business!
